6. Liability & Insurance

For our handling on exhibition ground, all terms and conditions of the exhibition cooperation apply. We work on a basis of the General German Forwarding Conditions (ADSp). We accept orders exclusively on the basis of the German Forwarders Standard Terms and Conditions – ADSp – latest edition. We wish to draw your attention to the fact, that according to art. 23 of the ADSp, the liability of the freight forwarder for loss and/or damage to goods is limited to €10.- per kg of the gross weight of the consignment in normal cases. For a contract on multimodal transit as well as for mayor losses a further limit of 2 special drawing rights per kg respectively €1.0 Mio each occurrence or €2.0 Mio for all claims in aggregate in connection with the same occurrence – whichever is higher – applies.

We recommend to cover goods in transit insurance via our office.
